TWO OCTAVE PANPIPES

new item!

\$89.00

Our largest panpipe has 15 tubes, measures 8.5" x 6.5" and is in the key of "C". The lowest note is the first "G" above middle "C" on the piano. The elegant instruments are made of Pyrex glass and are decorated with a kiln-fired glass enamels and 22 k gold. Each panpipe is closed at the bottom with a permanent Pyrex glass seal instead of sliding corks. This makes the tuning permanent and also looks better. The panpipe tubes are assembled using clear epoxy resin for a durable bond. The panpipe is gift boxed and includes a "How to Play the Panpipes" booklet.

CLEANING RODS

new item!

\$5.98

This is a quality tool, made from 100% cotton flannel over a foam core. It is designed to fit the bore of each Crystal flute and with only one pass removes the accumulated moisture and restores the flute's clear tone.

CRYSTAL FLUTES

new item!

True works of art, our flutes are available in four different sizes, each of which produce a wonderfully unique sound. Handcrafted of Pyrex glass, with a 2.5 octave range, each comes in a dark green gift box, includes a fingering chart and one year manufacturer's full warranty against accidental breakage. Both beginner and accomplished musicians find them delightful because of their crystal clear tone quality.

Crystal Flute Instructional Book/CD

This book describes the basic skills necessary to play the flute. It covers the methods for holding the flute, producing a sound, playing the lower and upper registers, single, double and triple tonguing, staccato notes, changing octaves, half tones, and complete fingering charts for all models of the Hall Crystal flutes. The CD plays the songs in the book and includes additional instruction.
